Online Education

1. Does all programs/courses were completed on time.	Yes		
2. Measures taken to complete the syllabus of courses and programs.	Initial phase of Academic session resumed on a usual basis with physical theory and practical classes and the odd semester exams were conducted as per the university academic calendar successfully. Beginning of the year 2020 marked with the Pandemic COVID -19 that turned the entire teaching learning scenario upside down with a situation of utter confusion and vision was lacking how to continue with the process of teaching and learning. Hon'ble vice chancellor with his vision and thoughtfulness organized a one day workshop for teachers of the university on various on-line teaching tools/apps along-with various facilities within the tool to facilitate the teaching learning methods to the students. Till recent past all the faculty members of the university are organizing their classes on Google Meet App. Some of the faculty members of practical based subjects are using audio/visual classes uploaded on Youtube with their links on their facebook account. Such cumulative efforts by all the faculty members have proved that no pandemic is so big that could stop a teacher in dispensing their duties and responsibilities.		
3. The period of delay in completion of syllabus (in months).	0		
4. The period of delay in conducting exams (in months).	5		
Portal Name	No. of students offered online courses which have credit transferred to transcript	Total no. of online courses which have credit transferred to the transcript	Total no. of credits transferred to transcript
